Career Objective

Motivated B.Tech Computer Science student aiming for high-impact software roles. Strong foundation in C++, Python, Data Structures, and problem-solving. Actively building real-world projects and preparing for product-based company interviews with a long-term goal of securing a High Package role.

Education

B. Tech in Computer Science & Engineering

Brainware University, Barasat

2024 – 2028 (Expected)

SGPA: 9.2 (Current)

Technical Skills

Programming Languages: C, C++, Python (Beginner → Advanced concepts)

Core CS: Data Structures & Algorithms, OOP, DBMS, Operating Systems (Basics), Computer Organization & Architecture

DSA Topics: Arrays, Linked Lists, Stacks, Queues, Trees, Graphs, Sorting Algorithms

Web (Basic): HTML, CSS, JavaScript

Tools & Libraries: Git (basic), VS Code, Python standard libraries

Academic & Personal Projects

Diary App (Android – Concept Project)

- Designed an app idea with daily pages for 2025 to store personal text entries.
- Focus on date-wise data storage and simple UI flow.

Student Utility Web App

- Built a responsive web app containing stopwatch, timer, clock, and student-friendly utilities.
- Optimized dark UI for low battery usage.

DSA Practice Repository

- Solved and implemented standard DSA problems in C/C++.
 - Focused on stack, queue, recursion, and array-based problems.
-

Coursework & Subjects

- Data Structures and Algorithms
 - Discrete Mathematics
 - Database Management Systems
 - Object Oriented Programming
 - Computer Organization and Architecture
 - Operating Systems
-

Achievements & Activities

- Consistent academic performer with strong problem-solving skills
 - Regularly practices coding and algorithmic questions
 - Actively learning industry-relevant skills for software jobs
-

Strengths

- Strong logical thinking
 - Self-disciplined and goal-oriented
 - Quick learner with high career ambition
 - Comfortable with independent learning
-

Declaration

I hereby declare that the above information is true and correct to the best of my knowledge.
